**Love God. Love People.

WHAT IS REAL LIFE FT. CAMPBELL

A new church plant in Clarksville, TN on mission to serve the Ft. Campbell and surrounding community. We're a contextual community of believers who accept and love people. We are people who desire to serve our community and see it transformed by the gospel.

God is leading Erik and Sarah Maloy to start an authentic Christian community in Clarksville, TN

Real Life Ft. Campbell seeks to be an intentional movement on mission with Christ to Love Jesus, Love People, Make Disciples and Plant Churches.

WHY CLARKSVILLE?

Clarksville is one of the fastest growing cities in Tennessee. It is projected to surpass Chattanooga and Knoxville. Clarksville has the 19th fastest job growth in the US. With growth, there is a need for more churches.

WHY CLARKSVILLE CONT.?

Real Life Ft. Campbell is in close proximity to Ft. Campbell, the 2nd largest Army base in the world and home to influential military commands like 101st Airborne. Military families are a largely under-reached people group.

We are seeking to reach Clarksville with a specific goal to reach Active Military, Veterans, and Retirees. This will allow us to mobilize many more families to live missional in the military. There is a large number of young families and lack of Evangelical presence. Clarksville is in the top 3% nationally for Veteran population.

TIMELINE & STRATEGY

We had our public launch on August 20, 2023. Since that time, we have averaged approximately 90 people on a Sunday and have added additional children's church classes and a youth group. We have also added an Associate Pastor to our team.

ERIK & SARAH MALOY

Erik and Sarah met and married while Erik was serving in the Navy. They're best friends and enjoy spending time together and going on adventures. They both have the desire to see people come to authentic, life-changing faith in Christ.

Erik served in two churches, and was the Student Pastor of a church plant before spending almost 9 years in the Navy. After being honorably discharged, Erik has served as a College/Young Adult Minister, Church Planter, and Church Re-planter.

Erik is a gifted speaker, and enjoys seeing people come to understand the Gospel, and see it transform their lives.
